## **NATIONAL SUPPORT CENTRE FOR AGRICULTURE**

(KOWR) is a state-owned institution supervised by the Ministry of Agriculture and Rural Development. It was established to support agri-food producers and exporters and the development of innovative agriculture, as well as to improve the quality of life in rural areas. The role of the KOWR is to build a positive image and recognition of Polish agri-food products abroad under the slogan "POLAND TASTES GOOD." The KOWR supports Polish entrepreneurs in the agri-food industry in their efforts to expand into new markets by organizing trade missions and national stands at food trade fairs abroad.

A red circle containing the slogan "Poland tastes good" in a white, cursive font. The background of the page features stylized green hills in various shades of green, with the red circle positioned on the left side of the upper hills.

*Poland  
tastes good*

## ANTONIUS CAVIAR

ANTONIUS CAVIAR is a Polish caviar brand created by GOSŁAWICE fish farm, a well-established family company with 50 years of experience in fish farming. We are currently the leading sturgeon breeder in the world, the biggest caviar producer in Europe and the second one worldwide. Antonius Caviar offers the best quality caviar of unique and remarkable taste, deriving from optimal breeding conditions, non-urbanized environment and crystal-clear waters, as well as from our commitment to the traditional keeping methods and attention paid to the quality of the final product. In the caviar production we use only female sturgeons from our own breeding farms.
